I'm a **multi-disciplinary designer**, with a particular interest in **2D motion design** and **video editing**, and a lot of hands-on experience in small agencies.

Experience

Motion Creative @ eight&four

Since Sep 2019

- **Motion design, video editing + client comms** for clients including King games + Photobox

Head of Studio @ Social Life

Previously Designer, Design Co-ordinator

Nov 2016 - Sep 2019

- **Managing** resourcing, capacity + wellbeing of a **7-person design team** in a fast-growing social media agency
- **Designing + video editing** across a range of clients, particularly **Netflix** (UK + global)
- **Costing + scoping** design resource for all projects agency-wide
- **Pitching** + day-to-day **client comms** on emails, calls or IRL
- **Creative ideation**, occasional **copywriting**

Creative Developer @ Succeed

Nov 2015 - Nov 2016

- **UX design** and development for web app
- **Re-brand** of company and design of **digital + print** marketing

Graphic Design Asst. @ The Union Southampton

Dec 2014 - Nov 2015

- **Creating** posters, flyers, screen ads + social media content
- **Branding** new events + services

Education

Computer Science @ University of Southampton

BSc (Hons) - 2:1, Sep 2012 - Jul 2015

Out-of-office

On evenings and weekends I'm making a mess in the kitchen, locked in an escape room, or playing with Phil Collins the cat.
